SATURDAY'S GAME DECIDES CHAMPIONSHIP.

Once more will those brave knights of the ball and bat—the Cardinals and Alexandria Athletics—try to settle the question as to who is to be the champions of this honored old city, when they meet on the north Alfred street grounds tomorrow afternoon. It is no secret to state that both teams are anxious to win the title and will strain every muscle and nerve to secure it. The world's championship series in the big leagues will hardly cause as much excitement here as is now being manifested by the admirers of these amateur players. The big games that have attended the previous games is a sure sign that the series is a grand success. No one can tell who is to be the lucky team in the next contest, as it is sure to be one that is worth traveling a good distance to see, and no doubt many persons who have been unable to attend the former games will be present and encourage the boys to do their best in the art of playing baseball. It is to be hoped that all the players will do their best in trying to gain time so that it will be unnecessary to have the game run into darkness, and perhaps, cause another tie. The line up of the teams has not been announced, but will possibly be the same as heretofore, with the exception of the batteries. The game will be called at 4 o'clock.

POLICE COURT.

[Justice H. R. Cason presiding.]
The following cases were disposed of this morning:

Harry Thomas, charged with drunkenness, was fined \$10.
John Jordan, charged with assaulting Aaron Harris, colored, had his case continued.

Bettie Mason and Rebecca Mason, both colored, charged with assaulting John Jordan, colored, were fined \$5 each.

Ellis West and William Fountain, both colored, suspected of stealing \$35 from R. C. Burnett, were dismissed.

Three colored boys, charged with stealing bread from boxes, were turned over to their parents for correction.

SEMINARY HILL NOTES.

Mr. Victor Donaldson is erecting a handsome brick residence near his store on Seminary Hill.

The fine new residence and store of Mr. Stanton, at the corner of Quaker Hill and Little River Turnpike near Seminary station is approaching completion and will be a great addition to the neighborhood.

Mrs. McCreary, a former resident of Seminary Hill, was the guest of Mrs. Rigby at Woodley for a few days.

The funeral of Mrs. Anna Louise Bateman, a prominent resident of Arlington, took place from Trinity Episcopal Chapel this evening at 2 o'clock.

The services were conducted by Rev. S. A. Wallis, of the Seminary. Mrs. Bateman was a daughter of the late Richard W. Johnson, commonwealth's attorney of Alexandria county. Her remains were brought to this city for interment.

A TEMPERANCE LESSON.

Another sad picture was flashed on the screen in the Police Court this morning when a young man, quiet and good-natured in his manner, was arraigned on the charge of taking bread from a box in front of a store in the southwestern section of the city. A policeman had caught him in flagrant delicto, and there was virtually nothing upon which to build a defense. It was but one of many cases where a man blessed with all opportunities for being useful and respected, has voluntarily become a straggler in the march of life by reason of the excessive love for intoxicants. He was fined \$10.

MOTHER AND DAUGHTER FINED.

While a party was in progress in the home of Bettie Mason, colored, in the southwestern section of the city, last night, a row occurred which ended in John Jordan, one of the number, being cut by Rebecca Mason, daughter of the hostess. A row between the girl's mother and Jordan was in progress at the time. It seems that the men consisted of lager beer, bread and sausage, and while the latter was being cut with a butcher's knife into convenient pieces the trouble started. The daughter took the knife and went to the assistance of the mother and in the scuffle Jordan received minor cuts. The mother and daughter were fined \$5 each in the Police Court this morning.

MUSICAL TREAT.

For a musical feast out of the ordinary, one should visit the Opera House tonight and see and hear Sasha Gordien, the great Russian violinist. He charmed the audience last night with his wonderful skill. Besides, there are other features in vaudeville and pictures that call for the highest compliment. Matinee tomorrow afternoon.

RIVER NOTES.

The three-masted schooner Sarah P. Fell is anchored off this port where she is being loaded with railroad ties from barges.

Work preliminary to the proposed dredging at Cedar Point and Upper Machodoc is in progress.

The three-masted schooner Earl P. Mason is at the shipyard where she is being loaded with ties.

The two-masted river schooner Martin Wagner, recently purchased from the estate of the late Capt. Ned Henderson by Capt. Steve Davis, of this city, has been berthed in the Queen street dock to be made ready for active service.

BOARD OF ALDERMEN.

An adjourned meeting of the Board of Aldermen will be held tonight. The only business to be transacted will be the election of a president, attempts at which have been made at three previous meetings. The impression is general that the deadlock will be broken tonight by the selection of a gentleman who will be acceptable to all the members. This will end another of the many friendly contests which occasionally occur in the camp of the democratic party. Of course, there will be, as is proper, certain concessions upon the part of both sides, which manifest a commendable spirit, and show that the present members are conservative and, as representative citizens, are the right men in the right place. Those who can best work and best agree should always be selected as legislators, and the history of the Board of Aldermen shows that in the main the body has ever been composed of such men. The report is that at tonight's meeting Mr. F. F. Marbury will be chosen president and Mr. H. K. Field vice president of the board.

CORPORATION COURT.

[Judge L. C. Barley presiding.]
A special grand jury summoned today with Mr. M. L. King as foreman returned the following:

George Bland, charged with setting fire to a storehouse, not a true bill.

John Henry Underwood, charged with horsestealing, a true bill.

George Jackson, colored, charged with stealing from the person, a true bill.

William Pettit, charged with stealing from the person, a true bill.

The case of Wm. Sims, charged with rape, was postponed until tomorrow, owing to the absence of the principal witness, Violet McIntyre. The sergeant was directed to proceed to the home of the girl near Quantico, and bring her into court tomorrow morning.

The grand jury was then adjourned till 12:30 o'clock tomorrow.

The prisoners indicted will be brought into court tomorrow when the date of their trials will be set.

Mr. W. Worth Smith, jr., was admitted to practice in this court.

WANTED WHISKY.

A well-known white man of this city, who is often in the hands of the police for misdemeanors, recently drunkenness was at the Police Court again this morning to answer the chronic charge of drunkenness and disorderly conduct. His little daughter yesterday reached her 11th year, and her mother had given her a birthday party. In the height of the festivities incident to the occasion, and while the sunny laughter of the little ones composing the company was bringing gladness to all, the father appeared on the scene. He was invited to partake of the ice cream, lemonade, cake, fruits, etc., which composed the menu. He, however, had no appetite for such innocent edibles, and demanded whisky. Of course, this could not be furnished, and becoming disorderly, it was necessary for his wife to turn him over to the police. The accused was fined \$10.

INTERESTING DECISION.

Judge L. C. Barley, sitting for Judge Thornton in the Circuit Court of Fairfax county, yesterday rendered an interesting decision. It appears that in the town of Vienna nine councilmen were recently elected when only six should have been. The question came up as to which of the nine men were elected and who were qualified to serve. Judge Barley decided, under the case of Mitchell vs. Witt, 98 Virginia, that the election and qualification of members of council rested entirely with the members themselves.

The matter of the election of town clerk, town sergeant and town treasurer of Vienna also came up, these officers having been chosen by the voters of that town. The judge decided that these officers must be elected by the town council and not by the voters.

ORIENTAL LODGE.

At the regular convention of Oriental Lodge, Knights of Pythias, to be held tonight, one application for reinstatement and one application for the rank of knighthood will be acted upon. The committee on good of the order have completed all arrangements for the reception of the two companies of the uniform rank of Washington tomorrow night. The visitors will be met at Payne and King streets by the members of Oriental Lodge and conducted to the hall on north Pitt street, where refreshments will be served.

FOOTBALL.

There will be a mass meeting of local football enthusiasts at the Hotel Fleischman tomorrow night at 8 o'clock for the purpose of organizing an eleven for the season of 1910. Alexandria had one of the best teams in the country last season outside of the colleges and universities, and it is hoped that all of their friends and admirers will be on hand and pledge their support.

DEATHS.

Mr. John W. Thompson died at his home at Brickhaven last night. He was a native of Baltimore. He was 40 years old, and leaves a widow and several children.

Robert Glenn, colored, aged 17 years, son of John Glenn, died this morning at his home, 712 Queen street.

FUNERAL.

The funeral of the late George Francis Schaffer, who died at the Alexandria Hospital last Sunday, will take place from his home on north Fairfax street, at 4:30 o'clock this evening. The services will be conducted by Rev. J. R. Sevier and the pallbearers will be members of the Painters' Union.

DEATH OF A FORMER RESIDENT.

Mrs. Mary Luddy, wife of the late P. P. Luddy and sister of Mrs. Chas. T. Hillmuth, a native of this city, died last night at her home in Washington.

Alexandria Council, Royal Arcanum, has paid to the widow of the late John T. Johnson the sum of \$3,000, the amount of insurance held by the deceased in that order.

Shoes less than half price—200 pairs of Misses' shoes that cost to manufacture \$1.50 and \$1.75, and sold at \$2.00 and \$2.50, will be sacrificed at 98c per pair. J. A. Marshall & Bro., 422 King street.

PERSONAL.

Mr. Henry Posey, driver of the Columbia steam fire engine, who has recently been suffering from rheumatism, has returned to duty.

Mr. Robert Connor, formerly of Washington, but recently of Ogden, Utah, spent Sunday in this city. Former Chief James F. Webster, who has recently been ill at the home of his daughter in Fairfax county, has been removed to his residence in this city.

Miss Stella Schreiner, who has been quite sick at her home on south Fairfax street, is slowly improving.

Mrs. N. R. Davis and children have returned after a two weeks' visit to the Del Ray stock farm at Strasburg.

Mrs. Laura Lamberton, of Oil City, Pa., who has been visiting Mrs. J. M. Hill in this city, returned to her home yesterday.

Bishop Gibson and the arch deacons of the Episcopal diocese of Virginia held an all day session in the Norton Memorial building today considering missionary work of the diocese. The conference adjourned this evening.

Mr. Walter S. Nicklin, who attended the recent session of the Great Council of the Improved Order of Red Men of the United States in Toledo, Ohio, has returned home after having visited Niagara Falls, Toronto and other northern and central west cities.

Mr. S. L. Burgess, of Strasburg, is spending the week with his aunt, Mrs. W. S. Nicklin, on south Pitt street.

LOCAL BREVITIES.

A marriage license was issued in Washington yesterday to Charles J. Jones and Esther Lee Miller, both of Alexandria.

Another small detachment of bread thieves was in the dock of the Police Court this morning. They were turned over to their parents for correction.

Capt. Charles McKenney, of this city, has purchased from the Norfolk owners the two masted schooner D. P. Mulford which has been recently overhauled and will run oysters during the season to this city.

John Hall, sentenced by Justice Cason in the Police Court yesterday to pay a fine of \$50, and to serve six months in jail, for the larceny of bread has been released on a bond of \$500, he having appealed to the Corporation Court.

One hundred prospective members of the Washington Retail Merchants' Association last night listened to addresses upon the future of the project to form such an association by Commissioners C. H. Rudolph, William A. Clarke, jr., secretary of a similar organization in Richmond and Mayor Paff, of Alexandria. The meeting was held in the rooms of Washington Chamber of Commerce.

Talk's cheap! But some folks make a mighty good profit on it. Very often it is the biggest asset they have. All in all "talk" is the hardest thing in the world to gauge at its "face value." Remember that old saying: "All that glitters isn't gold." Well, that also applies to talk. Those irresistibly delicious Auth Sauces, Puddings and Food Products at Bloodheim's Auth Stand and Market invariably "ring true." Their "taste" is all the proof necessary.

PROPOSED RESUMPTION OF FERRY.

The movement inaugurated by the Chamber of Commerce and the Retail Merchants' Association of this city toward the re-establishment of a line of ferry steamers between Washington and Alexandria is crystallizing fast, and there is every reason to believe that boats will be running on the line again before the snow begins to fly.

Nearly \$2,000 worth of bonds, bearing 5 per cent interest, were subscribed last night at a meeting of the R-tail Merchants' Association in the interest of the proposed ferry.

A committee of the chamber of commerce, consisting of A. D. Brockett, president; R. S. Jones, vice president; J. M. Duncan and C. S. T. Burke, directors, explained the object of the meeting and urged the need of a ferry service. It was only a short time after the matter had been explained that the bonds were subscribed for. It is announced that nearly \$8,000 of the \$10,000 which is Alexandria's quota in the enterprise, has been subscribed, and the purchase of two boats is virtually assured. The following were appointed to constitute a committee to wait upon retail merchants of the city in the interest of the project: L. Ruben, R. W. Arnold, L. H. Machon, F. L. Slaymaker, and George L. Apph.

This committee will begin work at once and be ready to report within the next two days.

Fleeing from the Cholera.
Naples, Sept. 27.—Thousands of the better class people of Naples are fleeing from the city today as the disclosures regarding the extent of the cholera epidemic.

In the infected quarters of the city, the people are in a panic and have sent out to avail the efforts of the authorities to establish an ironclad quarantine of the affected districts. Unless the medical authorities succeed in allaying the fears of the populace, they will ask the municipal government to declare martial law.

More than 100 cases have developed in the last 24 hours and approximately half this number of deaths have occurred.

Clash With Strikers.
Berlin, Sept. 27.—In a series of bloody battles in the streets between rioting strikers and armed police more than 160 persons were wounded, fifty-five of them probably fatally.

Berlin, Sept. 27.—The police are in complete control today of the Moab district, in northern Berlin, where a serious clash occurred last night with the strikers of the coal firm of Kupfer & Company and their sympathizers. The strikers are still in an ugly mood, but are held in check by nearly 100 policemen.

New York Stock Market.
New York, Sept. 27.—The stock market opened with a steady tone, but prices changed were mixed, with a majority of issues showing fractional losses at the end of fifteen minutes trading.

There was a better tone to the trading in the second hour, nearly everything on the list adjoining in an upward movement.

Mrs. Luke Yarrison, of Sugar Valley, Pa., was struck by lightning as she hung up her telephone yesterday.

We sell Hess, Regal, Walk-over, Brockton and Taylor made fine shoes for gentlemen. J. H. Marshall & Bro., 422 King street.

PROPERTY TRANSFERS.

A deed was recorded in the Corporation Court today from Hugo Herfurth, jr., transferring to J. W. Devers two lots on the old fair grounds. A deed was also recorded from George S. French transferring to B. Wheatley, part of the north side of the alley in the square bounded by King, Cameron, Columbus and Alfred streets.

HOSPITAL NOTES.

The condition of James Cook, who shot himself at the residence of Miss Jessie Windsor on upper Prince street last Saturday night, was said to be favorable today.

Julius Strickland, of Richmond, who fell from a freight train at Spring Park early yesterday morning and fractured his skull, is still in a critical condition.

FREDERICKSBURG FAIR.

We have received an invitation from Capt. Dan M. Lee, president, to attend the Fredericksburg Fair to be held today, tomorrow and Thursday. On Thursday there will be a Confederate reunion, to which all Confederate veterans are invited. Dinner will be served to the veterans.

Gaynor and the Governorship.

Rochester, N. Y., Sept. 27.—Despite Mayor Gaynor's statement that he is not a candidate for the democratic nomination for governor and that he wants to serve his term as mayor of New York city, the advance guard of delegates today insist that he will be nominated on the first ballot. The arrival of Charles F. Murphy with his Tammany cohorts and State Chairman Dix this afternoon is expected to clarify the situation and by night it will be known if Gaynor is to be nominated.

Nervous Collapse

It is generally the result of worry or overwork. Nature will in time repair the damage done, but nature often needs assistance. Not only must the nerve forces be restored, but the system must be nourished and strengthened.

Drink HOFBRAU BEER

This is a splendid restorative and invigorator. The hops induce refreshing sleep. The nutritive element of the barley assists in rebuilding wasted tissues.

All the new colorings are included in this showing—the new blue shades—king's blue, royal blue, and purple; the various green tones; dull rose shades; mulberry; leather shades combined with black, and plain black and white. Trimmings consist of Feathers, Wings, Plumes, Flowers, Dull Gold and Silver Bands, Gold Laces with various colored centers; liberal use of Velvets, &c.

The imported models were selected personally by us in Paris from such master milliners as Maugis Maurice, Grottoy, Rives, Germaine, Vimont, Pouyenne, Felix, Tora, Roland, Devore, Leontine, Valentine, &c.

To guarantee is due the Chateau de Theatre—the two-piece model for the after-goers; to Marie Louise—the Greuze Cap, an encircling old lace bill for worn beneath a broad-brimmed chapeau.

Never was choice wider, more comprehensive, more a question of individual fitness. Two extreme of sizes from the piquant helmet and Cloche Turbans to the Empire models of sweeping lines.

The combined exhibition of Parisian and American Millinery prove a delight to all who love true exponents of fashion and beauty.

You are cordially invited.
